welcome

Dear Mr. Kandula Kranthi Kumar,

Welcome to your new home, SkyZen!!

Most stories begin at home; where the heart is. But when dreams take you away from home, you can hardly avoid being an immigrant.

This is why we have designed SkyZen to make you an incomer!

SkyZen is not just real-estate; it is an experience that will help you rid the anxiety of the unknown, dispense the stress of dealing with convoluted, heavy downpayments and get you rid off the hassles of going through the cultural challenges so that you can have the liberty to chase your dreams without having to go through the mundane challenges as an immigrant.

With ultra-service rentals inclusive of all furniture, facilities and day-one amenities and an added expert advice on sustainable living in Japan, SkyZen is a carefully crafted ecosystem to ease incomers for a comfortable life in Tokyo.

We wish you the best of your times at your new abode.

Feel free to reach us in person anytime.
